

Looking Ahead...

A Message from
Rev. Dr. Russ Ritchel, Jr.

Dear Friends,

This Sunday is the beginning of Holy Week, and we have so many [important events](#) planned. It all begins with Palm Sunday, described in [Luke 19:28-44](#); It is a celebration that really kicks off and instigates many of the events that take place in the week to come.

I hope you will be planning to be with us for worship on Sunday and at as many of the services throughout the week as possible.

Yours in His service,

Russ Ritchel

Interim Pastor
